## Welcome

Welcome to District 146!

Please take some time to review this handbook with your family and contact my office if any questions arise. Of course, you can always access all District policies at [district146.org](http://district146.org)

The entire 146 family is excited to partner with you in providing a top-notch education. Please let us know if there is anything we can do to improve your experience.

Again, welcome!

Dr. Jeff Stawick  
Superintendent

## **Mission, Vision, Guiding Principles, and Goals**

### **Mission Statement**

Collaborating together to achieve high levels of learning and character development for every student.

### **Vision Statement**

Learning for All

### **Guiding Principles**

Guiding principles are the beliefs that set the foundation for how an organization will operate. The principles are accepted guidelines that capture the District's values and priorities and provide direction for employees as they go about their daily work. The adopted guiding principles are presented below:

We believe:

- All students are capable of high levels of learning.
- People are our most valuable assets.
- Collaboration, group learning, and shared decision-making enhance our teaching and learning environment.
- A diverse curriculum improves student learning and expands student experiences.
- Technology use is an essential skill for enhancing student learning and growth.
- Safety is a prerequisite for effective teaching and learning.

### **District Goal Statements**

1. Enhance student growth and achievement.
2. Nurture a safe, secure, and respectful environment for our students and employees.
3. Augment the District's sense of community with effective communication and collaboration.
4. Align resources to support student learning.
